Here's to 25 more....

By Heather Bivin

On May 5, 1985 the very first San Antonio Ronald McDonald House opened its doors at 227 Lewis Street. The 10 bedroom facility quickly grew to a 20 bedroom home. Since then we have welcomed 2 more houses as well as 2 Ronald McDonald Family Rooms in Laredo, Texas. This year our house on Lewis St., celebrated its 25th birthday...And what a celebration it was! Children of all ages gathered at our house to be turned into cats, bats, and bunnies by the face painter, saddled up for pony rides, tested their throwing arms while playing the carnival-style games, looked into the future with the Fortune Teller, and filled their bellies with hot dogs, hamburgers, and nachos prepared by our awesome volunteers. Party-goers engaged in light saber duels with members of the Star Wars Society of San Antonio, climbed aboard "Bear", the S.W.A.T. truck with Officer Rafael Trinidad, and explored the hook and ladder truck with the guys from Fire Station #6. Of course no celebration would be complete without the man himself and our name-sake, Ronald McDonald, who was on hand to pose for pictures and show off his talent for magic. Our party also featured an acknowledgement ceremony which honored our Ronald McDonald House Past Presidents and corporate sponsors. We also recognized our Executive Director, Patricia Bivin, who came on board just 6 months after the house opened. All in all, it has been a memorable 25 years, filled with hope, love, and support. Some of the faces have changed, but our mission has stayed the same, to provide a comfortable, safe, convenient atmosphere of support and a home-away-from-home for families in need. We would like to thank everyone who has made it possible for the San Antonio Ronald McDonald Houses to evolve and prosper over these last 25 years. Here's to 25 more!

Many of you may not be aware that The Friends of The Ronald McDonald House provide an evening meal once a week to one of our locations. These meals are greatly appreciated by our families during a difficult and stressful period in their lives tending to sick or injured children.

I would like to say thank you to those of you who have stepped up to the plate and provided a meal this year and encourage those of you who have not had an opportunity to provide a meal to sign up for the new year. If you know of an organization, have a group of friends, or would just be interested in doing a little something to help someone in need, please consider signing up for a date. The meal can be as simple as picking up pizzas and dessert or providing a home cooked meal.

Thanks,
Jeanne Wentzell

PRESIDENT'S MESSAGE

By Gordon Brown

Wag More, Bark Less!

It's that time of year when we come up with our New Year's resolutions, using the start of the new year as the springboard to vow to change some of our less desirable behaviors. The Top 10 New Year's resolutions (according to www.goalsguy.com) include losing weight, getting out of debt, spending more time with family and friends, quitting smoking, and volunteering and helping others. Nothing on the top 10 list is a surprise, because most of these represent changes in behavior that are simply difficult to change, so of course they make the list year after year.

This year, rather than pick from the same standard list of specific things we want to change about ourselves, I suggest we all resolve to change the way we deal with our challenges, and with other people. This broader approach will likely yield greater success in helping us achieve many of our goals, instead of just one. Sitting in traffic the other day I saw a bumper sticker on the car in front of me that simply said "Wag more, Bark less". What great advice. What if everyone made that their New Year's resolution? Approaching what life hands us with a positive attitude and treating each other with respect sure seems to be a recipe for success, regardless of what your specific goals are.

When dogs are in a group, if one barks typically they all start barking; and if one is wagging his tail, they all start wagging. The same is true for us. So in 2011, why not resolve to be a positive force in your family, at work, at your church, in your volunteer efforts, or wherever you interact with others and can be the catalyst for positive change?

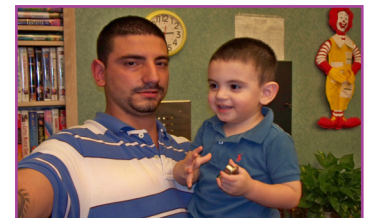

So how can you put this resolution into action in a way that yields immediate results? Consider getting involved with the Ronald McDonald House Charities of San Antonio. Whether you donate your time, your talents, or your resources, there is nothing quite as satisfying as helping others make a difficult situation better. The children and families we serve could definitely use a huge dose of wagging!

I also saw another dog related, advice bearing bumper sticker recently that caught my attention: "Be the person your dog thinks you are". Another great piece of advice; perhaps we can tee that up for 2012. Until then, let's all resolve in 2011 to wag more and bark less!

SHARE YOUR HEART

We have begun preparing for SHARE YOUR HEART 2011. There were 80 invitations sent out this year to area schools for participation in this wonderful community service project. If you want to help or just find out if your local school is participating just ask if they sent in the hot pink response card. If they haven't encourage them to do so. This is such a great way for kids to get involved in something that is geared toward helping other children and their families. There is still time to respond as this event doesn't take place until after the new year. If you have any questions please contact me at jkampschmidt2@satx.rr.com. Thank you in advance for your interest in this wonderful cause.

Respectfully,
Jane Kampschmidt
VP Share Your Heart

House Manager's Corner -

Greetings. My name is Sharon Hensley, and I am the new House Manager here at the Medical Center Ronald McDonald House. I have the privilege of stepping in to replace Susie Valdez (our previous House Manager); she retired and moved to Reno in July of this year.

I was first introduced to the Ronald McDonald House back in the 80's when my parents, Frank and Doris Hensley, were the resident Managers at the Lewis Street House. I worked there for a short time as part-time weekend manager.

After relocating to Dallas, Texas and working many years in the financial industry, I decided I needed a career change. South Texas was calling me home. I was happy to make the move, especially to be closer to my mother. She has come back to RMCH as the night manager here at Medical Center. I put faith in the good Lord to see me through all these changes, and he sure came through.

My prayers were answered when I applied for, and then was offered the job as House Manager. The rest is history. I LOVE MY JOB, and have to tell you that I have not been able to say that for many many years. In fact I don't consider it as a “job”, but rather my “vocation”. I find it very rewarding and it keeps me very busy, which I love. I have “office time” but also put in a lot of elbow grease. I couldn't ask for a better position or a better group of ladies and volunteers to work with. I know that this must have been my calling and so my long range plans, God willing, will keep me here for many years to come.

If you are in the neighborhood, please stop by and introduce yourself, as I would like to get to know all of our “McDonald House” friends and families.

READY, SET, PULL!

By Heather Bivin

This October brought cooler weather, kiddos in Halloween costumes, and our first annual Kids & Clays auction at the National Shooting Complex. On Friday, October 29th over 3,000 shooters and observers alike made their way up and down rows of tables holding our more than 150 auction items.

From directors chairs to DVD's, gift baskets, to gift cards, hunting knives to necklaces...this auction was a success and raised more than \$9,000 for the Ronald McDonald Houses of San Antonio. We look forward to next year!

We would like to thank the National Shooting Complex, Michael & Kris Hampton, all of our generous donors and sponsors, and a very special than you to Glen Lubeznik and Tammy Steinhagen with Kids and Clays. Thank you all for making this event possible and ensuring its success!

Keeping Current

By Pat Bivin

Executive Director

Dear Ronald McDonald House Family: During this special time of year, we count our many blessings, gather with those we love, remember those in need and miss those who have gone before us. Once again 2010 has brought us many blessings. Getting to know the beautiful and courageous children we serve is one of our greatest blessings. The worst of circumstances brings them to our home – pediatric cancer, burns, premature births and tragic accidents, just to name a few. We rejoice as these special children improve and flourish. We mourn the loss when they do not.

We are also blessed to have a dedicated Board of Directors who are passionate about our mission and ensuring our 3 homes and 2 family rooms continue to provide a respite for those in need. Their continued vision and leadership keeps us on track and allows us to constantly look for new, meaningful ways to improve and increase the services we provide.

Our local McDonald owners are our partners in every way. They serve on our board, support our fundraising activities and initiate fundraising in their restaurants, like the canisters. We appreciate their continued participation and are blessed they share our passion for the mission of Ronald McDonald House Charities.

We continue to express tremendous gratitude to the Friends of the Ronald McDonald House. This tireless group of volunteers truly bless our homes with their acts of kindness. They plan great fundraising events to benefit our homes but just as impressive, they make sure our homes have fresh baked cookies, evening meals and that our homes are decorated for the holidays. Thank you for all you do so well.

“Home is where the heart is” – a popular saying, but true. Our volunteers and wonderful staff bring their hearts to work with them on a daily basis. They turn these houses into homes. They show our families in ways large and small that they truly care about what they are going through. They go out of their way to bring comfort to a troubled heart and a smile to a worried soul.

In closing, I would like to express my heartfelt thanks to all of you who share my love for Ronald McDonald House Charities of San Antonio. When you look into the eyes of a worried mom or dad, see the pained expression of an ill child or hear the stories of hope mixed with fear you understand that our mission is pure. If we can take away a small part of the worry associated with having a critically ill child, dry one tear or replace that tear with a laugh, we have made a difference and we are blessed for having had the opportunity to touch someone in that way.

I thank each of you for blessing us with your gifts large and small, tangible and intangible. Thank you for your part in helping us embrace and care for families. May the remainder of 2010 and the year 2011 be healthy and happy for those you love and those we serve.

Annual Tennis Play Day and Fashion Show Luncheon

Many tennis (and non-tennis) players enjoyed a great time with old and new friends at the Club at Sonterra this fall. The fun fashion show featured beautiful clothing from Nancy's at the Quarry as well as from the Sonterra tennis and golf pro shops. The meal was delicious and the large array of silent auction items brought in great money for the "Friends of the Ronald McDonald House". Beautiful table centerpieces were purchased by guests and two fabulous jewelry pieces were awarded to lucky raffle ticket winners. The women were appreciative of the fabulous goodie bags and great door prizes. This new fundraising event was a big success and continues to grow yearly.

These children touched our lives for just a brief time. While they are no longer here with us, they will remain forever in our hearts.
