

# Subaru loves the Earth & helping Ronald McDonald House Charities families

North Park Subaru employees recently volunteered with Ronald McDonald House Charities of San Antonio to plant rose bushes, clean up our landscaping and pull weeds to celebrate Earth Day! Not only is this important for the Earth, but it is critically important for families relying on Ronald McDonald House. Thanks to North Park Subaru, our families will have a beautiful outdoor space to rest, relax, and heal. Thank you, North Park Subaru, for helping provide our families with a home away from home when they need it most!

## North Park Subaru provides lunch and presents check to The Animal Defense League

North Park Subaru is excited to Present a check for \$37,722.00 to the Animal Defense League. This would not be possible without the help of our customers who chose

their hometown charity during the Share the Love Event. During the check presentation North Park Subaru also provided lunch for the

entire campus consisting of 90 employees and volunteers.

"We are so grateful to have the opportunity to serve our community and our furry friends!"

-Jeannette

We hope for an even greater year for 2024.
